

Public Offer for Participation in the "Sunny Gigabytes!" Promotion for Ucell Mobile App Users

The "**Sunny Gigabytes!**" promotion (hereinafter – the Promotion) is held among new and existing users of the Ucell mobile application.

During the Promotion period, Ucell mobile app users (hereinafter – the User), upon making a **one-time top-up of 15,000 UZS or more** to their Ucell subscriber balance via the Ucell mobile application, will receive **100 GB of internet traffic valid for 30 days (hereinafter – Internet Package)**.

To receive the Internet Package, users must add (link) a bank card (if not yet linked) in the Ucell mobile application and top up their Ucell subscriber balance.

The Internet Package will be granted to the subscriber who completes the top-up of the Ucell subscriber number (account).

1. Participation Terms:

1.1. During the Promotion period, subscribers who are not yet Ucell Mobile App users must register and log in to the App.

Note: If the Ucell Mobile App is not installed or is outdated, it must be downloaded or updated via Play Market (Android) or App Store (iOS), after which registration or authorization is required.

1.2. After successful login, one of the following methods must be used:

- Method 1: Click "Top-up" and select "Account Top-up" in the menu.
- Method 2: Go to "Finance" section, select "Mobile" and choose "Ucell" from the list of operators.
- Method 3: Go to "Finance" and select "Top-up Balance".

In the form, enter the Ucell subscriber number, amount starting from **15,000 UZS or more**, and click "Top-up".

Note: If no card (national or international) is linked, add it in the "Finance" section by clicking "Link New Card".

1.3. Upon fulfilling the terms in clauses 1.1 – 1.2, the subscriber is automatically considered a participant and receives **100 GB internet traffic for 30 days**.

1.4. Fulfillment of these terms is considered full and unconditional acceptance of this public offer.

1.5. Acceptance of this public offer implies full and unconditional agreement to all terms without exceptions or limitations.

1.6. By accepting this offer, the participant confirms that they:

- have fully read, understood, agreed to and undertake to comply with the terms;
- understand the content of the offer;
- are legally competent and entitled to accept this public offer.

2. Promotion Terms:

- 2.1. Promotion period: **21.07.2025 – 31.08.2025**
- 2.2. Both new and existing Prepaid Ucell subscribers may participate.
- 2.3. Checking bonus 100 GB balance:
 - In the App's main screen under "Package Balance".
 - Via USSD request *107#. Data shown reflects the balance after all sessions are closed.
- 2.4. One participant may receive internet traffic only once.
- 2.5. This internet traffic does not sum up with traffic from tariff plans or other services and is valid until expiration only.
- 2.6. Internet traffic is available only in Active status.
- 2.7. Upon expiration, unused traffic will be canceled.
- 2.8. This internet traffic has the highest priority for usage; it will be consumed first before tariff or additional package traffic.
- 2.9. Internet traffic is provided only after a **one-time payment of 15,000 UZS or more** to a Ucell subscriber number.
- 2.10. Traffic is assigned automatically and reflected in the Ucell app.

3. Internet Traffic Activation Scenario:

- 3.1. New users must register and log in to the App; existing users log in using their Ucell number.

Note: If the App is not installed or outdated, download or update it via Play Market or App Store.

- 3.2. Balance top-up of **15,000 UZS or more** must be completed via linked card as per clause 1.2.
- 3.3. After successful payment, the app will show confirmation of the amount received.
- 3.4. Once successfully granted under Promotion terms, the App will notify the user of the Internet Package activation.
